Sinay

Konuşmak kitabı, konuşamayan ve ellerini veya kollarını kullanmada zorluk çeken, ancak gözlerinin kullanımını koruyan insanlar için sözel olmayan bir iletişim aracıdır. Bu basım, okuma ve yazma bilen kişiler içindir. Okuma-yazma bilmeyen kişiler için, yabancı dil baskıları ve cep sürümü için, şu adresi ziyaret edin: [acecent.re/speakbook](http://acecent.re/speakbook)

## Kullanma talimatları

Başlamak için ihtiyacınız olan şeyler; konuşma kitabı; siyah, kalıcı olmayan bir kalem, silme bezi ve konuşma partneri.

Siz ve konuşma partneriniz birbirinizden yaklaşık 1 metre uzak olacak şekilde karşılıklı oturun. Görme yetinize bağlı olarak, bu mesafeyi azaltmayı veya artırmayı yararlı bulabilirsiniz. Kitabın arka kapağının içindeki eğitim sayfasını açın. Bu, temel tekniği öğrenmenize yardımcı olmak için zaten doldurulmuştur. Uzmanlaştığınızda, sağlanan boş sayfaları kullanarak kendi sayfalarınızı yazabilirsiniz. Kitabı kendi üzerine katlayın ve aranızda tutun, böylece ikiniz de bir 'eğitim sayfasına' bakıyor olacaksınız ve birbirinizin gözlerini ortadaki boş alandan görebileceksiniz. Sonra sayfada bulunan ihtimallerden hangisi hakkında iletişime geçmek istediğinize karar verin. Karar verdiğinizde, partnerinize başlamaya hazır olduğunuzu belirtin. Bunu konuşma partnerinize bakıp göz kırparak, gözlerini açıp kapatarak belirtebilirsiniz ya da kendinizin belirlediği başka bir ifade ile belirtebilirsiniz. Daha sonra istediğiniz mesaja bir saniye kadar bakın, ardından mesajın yanındaki küçük sembole aynı büyük simgeye bakın. Konuşma partneriniz daha sonra göz hareketlerinizi takip ederek ne demek istediğiniz öğrenir - örneğin tahtanın sol üst tarafına ve ardından büyük üçgene baktığınızı görebilir, bu yüzden "bir fincan çay!" demek istemeniz gerektiğini bilir. Seçim yaptıktan sonra konuşma partneriniz bu seçimi sözel olarak yüksek ses söyle ve siz de bunu göz kırparak veya daha önceden ayarladığınız bir ifade ile onaylarsınız. </ P>

Bu konuşma kitabını kullanmak için temel tekniktir. Şimdi kitaptaki diğer sayfaları nasıl kullanacağınızı öğrenmelisiniz, çünkü konuşma kitabının gerçek dehası, kendi seçtiğiniz yüzlerce cümleye, istediğiniz zaman değiştirebileceğiniz ifadelerle kolayca erişebilmenizdir yatmaktadır. Tek ihtiyacınız olan sadece nemli bir bez ve kaleminiz.

<input type="checkbox"/> SPELL	

### Konuşmak kitabı üzerine nasıl yazılır?

Konuşma kitabına yazdıklarınızı kişisel ihtiyaçlarınıza bağlı olacaktır, ancak ne yazarsanız yazın, herhangi bir çift sayfa yayılımının her bir yüzünün üzerinde aynı metnin olması ve bunların birbirinin ayna görüntüsü olması önemlidir- yukarıdaki örnekteki gibi. Siz ve eşiniz farklı bir dilde mi konuşuyorsunuz? Sorun değil - her iki tarafa da farklı bir dil yazın.

14'ten fazla ifadeye ihtiyacınız varsa, her satıra bir tane siyah kalem, biri kırmızı olmak üzere iki kelime öbeği yazarak kapasitesini iki katına çıkarabilirsiniz. Normal bir şekilde siyah olarak yazılmış cümleyi gözlerinizle ifade ederek, büyük sembole bakıp kırmızı olana gözlerinizi kırparak aynı kutudaki kırmızı cümleyi ifade etmek istediğinizi belirtebilirsiniz

## Parmaklarla heceleme sayfası

Eğer ellerinizi kullanabiliyorsanız, bu sayfa sizin için. Parmağınızla harfleri teker teker göstererek kelimeleri veya sözcük gruplarını heceleleyebilirsiniz. Sıklıkla kullanılan kelimeler boş kutuların içerisine yazılabilir. ANA SAYFA kelimesine işaret ederek, konuşma partnerinize ana kitabı kullanarak ve gözlerinizle iletişime geçmek istediğinizi belirtebilirsiniz.
